

Your Love Still Haunts Me (R&B Remix)

Joseph

I can say its over baby
I can leave, be on my way
But these memories, wont let me be
I close my eyes, your all I see

Iâ€™ve said it before, Iâ€™ll say it again
Your loves got a spell on me.
Threw the hook I bit the line
Now weâ€™re terrified and also frighten

Afraid to lose afraid to win
What am I supposed to do
The game you play is confused
Oh oh oh

I donâ€™t know, I donâ€™t know what I did to you.
Your love still haunts me.

Even though, itâ€™s over
Iâ€™ve moved on and now weâ€™re through
Your love still haunts me.

I donâ€™t know, know know know
I donâ€™t know, I donâ€™t know
Your love still haunts me
I donâ€™t know, know know know
I donâ€™t know, I donâ€™t know
Your love still haunts me

Now you see, It aint easy
The love you gave, blindsided me
Took a chance, Got romance
You masquerade, Itâ€™s done and played

Iâ€™ve said it before, Iâ€™ll say it again
Your loves got a spell on me.
Threw the hook I bit the line
Now weâ€™re terrified and also frighten

Afraid to lose afraid to win

What am I supposed to do
This game has got me confused
Oh oh oh

I donâ€™t know, I donâ€™t know what I did to you.
Your love still haunts me.

Even though, itâ€™s over
Iâ€™ve moved on and now weâ€™re through
Your love still haunts me.

I donâ€™t know, I donâ€™t know what I did to you.
Your love still haunts me.

Even though, itâ€™s over
Iâ€™ve moved on and now weâ€™re through
Your love still haunts me.

I donâ€™t know, know know know
I donâ€™t know, I donâ€™t know
I donâ€™t know, know know know
I donâ€™t know, I donâ€™t know

Iâ€™ve said it before, Iâ€™ll say it again
Your loves got a spell on me.
Threw the hook I bit the line
Now weâ€™re terrified and also frighten

Afraid to lose afraid to win
What am I supposed to do
The game you play is confused
Oh oh oh

I donâ€™t know, I donâ€™t know what I did to you.
Your love still haunts me.

Even though, itâ€™s over
Iâ€™ve moved on and now weâ€™re through
Your love still haunts me.

I donâ€™t know, I donâ€™t know what I did to you.
Your love still haunts me.

Even though, itâ€™s over
Iâ€™ve moved on and now weâ€™re through
Your love still haunts me.
