

Paegen Love Song

Acid Bath

(yeah! alright!)

Dying felt so goddamn good today

If I was ever alive well it's hard to say

It was kissing my eyelids and burning my face away

Dying felt so goddamn good today! We dance the electric Pagan Love Song

We hunt with the children paling in the catacombs

(alrighhtt!)

(YEAH!)

Eating dead flowers bleeding in a strange daze

I was cutting throats and eating tears

Smiling in a ruined age

Douse my love everything with gasoline

Grave flower blooms at your red light death scene We dance the electric Pagan Love Song (YEAH!)

We hunt with the children paling in the catacombs (OH YEAH! .. ALRIGHT! .. YEAH!) Trippin' on real blood
in strange sunshine

Have you felt such weight upon your eyes

Sister I been trippin' in your sky

I woke up adrift in a Technicolor bliss

Ten million miles high (yeahhh) (YEAH!!)

I'm a Christian zombie by daylight (OH YEAH!)

Satan, he come trippin' 'round midnight

Circle jerkin' redneck truckers' dream (yeah)

You scream, I scream

Everybody screams for morphine
