

# I'm Gonna Love You Just A Little More Babe

Barry White

It feels so good  
You lying here next to me  
Oh, what a groove  
You have no idea how it feels

My hands just won't keep still  
I love you, baby  
Oh, I love you, I love you, I love you  
I just want to hold you

Run my fingers through your hair  
Ooh  
Outta sight  
Uh-huh, right there, you like it like that

Closer  
Come here, closer, close  
Oh, baby  
Oh, baby

Give it up, ain't no use  
I can help myself if I'd wanted to  
I'm hung up, no doubt  
I'm so in love with you, for me there's no way out

~Cause deeper and deeper  
In love with you I'm falling  
Sweeter and sweeter  
Your tender words of love keeps calling

Eager and eager, yeah  
To feel your lips upon my face  
Please her and please her  
Any time or any place

I'm gonna love you, love you, love you just a little more, baby  
I'm gonna need you, need you, need you every day  
I'm gonna want you, want you, want you in every way

???Make no mistake??? for I'll hold back knowin'

This time it looks like lover is here to stay  
As long as I shall live  
I'll give you all I have and all I have to give

~Ç??Cause please her and please her  
Any time or any place  
Eager and eager  
To feel your sweet lips on my face

Deeper and deeper  
In love with you I'm falling, yeah  
Sweeter and sweeter  
Your tender words of love keeps calling

I'm gonna love you, love you, love you just a little more, baby  
I'm gonna need you, need you, need you every day  
I'm gonna want you, want you, want you in every way
