

# Rainbow and Roses

Vern Gosdin

You're as warm as you are pretty  
And you feel so good to hold  
Every inch of you a lady  
You're a comfort to my soul You're my rainbows and roses  
You're all I ever need to see me through  
You're my rainbows and roses  
And like a rose there's only one of you You make lovin' you so easy  
Just the way it ought to be  
Heaven knows I love you Babe  
You mean all the world to me You're my rainbows and roses  
You're all I ever need to see me through  
You're my rainbows and roses  
And like a rose there's only one of you You're my rainbows and roses Rainbows and roses
