Honeybee

The Bears

Honeybee, don't look at me that way
honeybee, don't look at me that way
I've got plans,
I'm workin' on being a holy manHoneybee, don't come so close to me
honeybee, don't come so close to me
an' watch your hands,
you can't put a hold on a family manHang on tight
through another lonely nightHoneybee, you don't look so good to me
honeybee, you don't look so good to me
I've got plans,
I'm workin' on being a holy man
