

# Everything Is on the One

## Parliament

Everything is on the one  
Everything is on the one  
Everything is on the one  
Everything is on the one  
Everything is on the one  
Oh, remember thatEverything is on the one today y'all, now hit it  
Everything is on the one today y'all, and don't forget it  
Everything is on the one today y'all, that's where it's at  
Everything is on the one today y'all, now get to thatEverything is on the one  
Everything is on the one  
Everything is on the one  
Everything is on the one  
Everything is on the oneEverything is on the one today y'all, now hit it  
Everything is on the one today y'all, and don't forget it  
Everything is on the one today y'all, that's where it's at  
Everything is on the one today y'all, now get to thatEverything is on the one  
Everything is on the one  
Everything is on the one  
Everything is on the oneEverything is on the one today y'all, now hit it  
Everything is on the one today y'all, and don't forget it
