

This Kiss (with Ruth Trimble/Elidh Patterson)

[Beth Nielsen Chapman](#)

I don't want another heartbreak
I don't need another turn to cry, no
I don't want to learn the hard way
Baby hello, oh no, goodbye
But you got me like a rocket
Shooting straight across the sky It's the way you love me
It's a feeling like this
It's centripetal motion
It's perpetual bliss
It's that pivotal moment
It's, ah, impossible
This kiss, this kiss, unstoppable
This kiss, this kiss Cinderella said to Snow White
"How does love get so off course, oh
All I wanted was a white knight
With a good heart, soft touch, fast horse
Ride me off into the sunset
Baby I'm forever yours" It's the way you love me
It's a feeling like this
It's centripetal motion
It's perpetual bliss
It's that pivotal moment
It's, ah unthinkable
This kiss, this kiss, unsinkable
This kiss, this kiss You can kiss me in the moonlight
On the rooftop under the sky, oh
You can kiss me with the windows open
While the rain comes pouring inside, oh
Kiss me in sweet slow motion
Let's let everything slide
You got me floating, you got me flying It's the way you love me
It's a feeling like this
It's centripetal motion
It's perpetual bliss
It's that pivotal moment
It's, ah subliminal
This kiss, this kiss, it's criminal
This kiss, this kiss It's the way you love me baby
It's the way you love me, darlin', yeah It's the way you love me

It's a feeling like this
It's centripetal motion
It's perpetual bliss
It's that pivotal moment
It's, ah subliminal
This kiss, this kiss, it's criminal
This kiss, this kiss It's the way you love me baby
It's the way you love me darlin', yeah It's the way you love me
It's a feeling like this
It's centripetal motion
It's perpetual bliss
