

# Nine Times Out of Ten

**Teddy Pendergrass**

Nine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes byNine times out of ten  
I'm falling inlove with you  
Starting want you more  
As time goes BySince the day i met you  
I feel so good inside  
My world has come alive  
Since i've known you, known youI can't forget you  
Your always on my mind  
I've got this strong desire  
To be near youNine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes byWanna get to know you  
I call you on the phone  
I feel so all alone  
Me here and you thereYou gave my life reason  
You make my puzzle fit  
Oh i've got love to give  
And i wanna give it to youNine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes by{Solo Instrumental}I say nine times out of ten  
I'm falling in love with you  
Starting to need you more  
As time goes byNine times out of ten  
I'm falling inlove with you  
Starting to need you more  
as time goes, time go-oh-goes by-y-y-I say this time, this time  
I'm falling inlove-love-love-love with you  
I'm pretty sure i need you more  
As time goes by
