

Don't Do It Mandela

Shah

It's the new Mandela x3Verse 1:

First night girl told me hit it raw

I used to be like duh

But girl fuck a prenup, we need a prefuck

Eighteen years, I ain't doin that shit

Now I ain't gotta deal with police no more

Got a white driver, named him kevlar

Got a Jewish Johnny Cochrane, give him a call

He can tell y'all I ain't doin that shitChorus:

Fuck y'all I ain't doin that shit

Hell naw I ain't doin that shit

Baby keep talking, blah, blah, blah

I ain't doin that shit

Don't do it, don't do it

Don't do it, don't do it

Don't do, don't do it, I ain't doin that shitVerse 2:

I got a couple hundred hundreds man

Pop, just snapped a rubber band

Money problems, y'all don't fuckin understand

Y'all ain't goin nowhere, y'all doin the Runnin Man

Bank callin, this our fault

No room for more of your gold bars in the vault

Beggin don't cash out like they gon default

Man, give me my gold, I ain't fuckin with y'allChorus:

Fuck y'all I ain't doin that shit

Hell naw I ain't doin that shit

Baby keep talking, blah, blah, blah

Don't do it, don't do it

Don't do, don't do it, I ain't doin that shitVerse 3:

White girls can't stop fuckin with me

It's the new nutella

Black girls can't stop fuckin with me

Shout out my bad bitches, just want the D

Ain't lookin for no fuckin geneticsChorus
