

Xhampagne (feat. Antwon)

Shy Girls

I know you wanna flex real bad
You want to, you got it
I hear you like to bag and brag
You love it, you thugShe ain't lonely
She just hungry
For something she
Think I could beShe got plenty
She so petty
She want only
My confetti
She hitting me up when she feel like making love (making love)
She says she want it all but I know it's just a bluff (just a bluff)
She only in it for the champagne
She only in it for the champagne
She only in it for the (uh)
(Shortcut to the fast lane)I don't mind it if she want me
I'm lonely, I know it
She talk me up to her homies
Like a ponyShe want money
Like a trustee
I deposit
Every MondayShe got plenty
She so petty
She want only
My confetti
She hitting me up when she feel like making love (making love)
She say she want it all but I know it's just a bluff (just a bluff)
She only in it for the champagne
She only in it for the champagne
She only in it for the (uh)
(Shortcut to the fast lane)Uh, texting niggas that she's single
The one she wanna be with, ain't gon' pick up
Now she with her friends, know they on the guest list
If they find somebody with some money
They gon' get undress quick
Flex with the sex,???? tingle where the money at
Used to got to school with her, now she on the club???
At the function every weekend asking where to buzz at
She in the fast lane, where you get no love backShe only in it for the champagne

She only in it for the champagne
She only in it for the champagne Hitting me up when she feel like making love (making love)
She say she want it all but I know it's just a bluff (just a bluff)
