Heal Tomorrow

Naive New Beaters

Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it soloToday you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it soloI had a dream
It was melting like a sandcastle in the wind
You couldn't focus
Riding way too hard
Just to keep the tonus
We surely fail
Had to share some
Blackmail back in jail
You could avoid us
Trying always hard
Keeping us so jealousToday you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it soloWe've never asked
Why it's such a hard task
Taking off your mask
You're such a curious
Please try to keep it wise
Like a blooming lotus
He told me to
Had to think of what else now to do

You think it's obvious
But promise we're not born like a bunch of geniusToday you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it soloI have heard a lot
Digested it all
Know the world is smart
For sure I can fall
I have heard a lot
Digested it all
Know the world is smart
For sure I can fall
I have heard a lot
Digested it all
Know the world is smart
For sure I can fallToday you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
Today you hurt me
Gonna heal tomorrow
And if you leave me
I can do it solo
