Mothership Connection

Parliament

Well, all right, starchild
Citizens of the universe, recording angels
We have returned to claim the pyramids
Partying on the mothership
I am the mothership connectionGettin' down in 3-d, light year groovin'
All right, hear any noise
Like nobody but me and the boys
Gettin' down, hit it fellasIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the band
All right, all right, starchild herePut a glide in your stride and a dip in your hip
And come on up to the Mothership
Loose booty, doin' the bump
Hustle on over hereIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the band
Ain't nothing but a party, y'allFace it even your memory banks
Have forgotten this funk
Mothership connection
Home of the p.funk, the bombIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the band
(Doin' it in 3-b)
Let me put on my sunglasses here
So I can see what I'm doingWhen you hear seats rumble
You will hear your conscience grumble
Hit me, you gotta hit the band
You have overcome for I am hereSwing down, sweet chariot
Stop and let me ride
Swing down, sweet chariot
Stop and let me rideSwing down, sweet chariot
Stop and let me ride
Swing down, sweet chariot
Stop and let me rideSwing down, sweet chariot
Stop and let me ride
Swing down, sweet chariot
Stop and let me rideAre you hip to Easter Island?
The Bermuda Triangle?
Well, all right

Ain't nothing but a partyStarchild here, citizens of the universe
I bring forth to you
The good time on the mothership
Are you hip? Sing, fellasIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the bandIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the bandStarchild here, doin' it in 3-d
So good, it's good to me
Hit the bandIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the band
(Swing low, sweet chariot)
(Coming forth to carry you home)If you hear any noise
It's just me and the boys
Hit me, hit the bandIf you hear any noise
It's just me and the boys
Hit me, you gotta hit the bandAnd if you hear any noise
It's just me and the boys
Hit me, you gotta hit the bandSwing low, time to move on
Light years in time, ahead of our time
Free your mind and come fly
With me, it's hip on the mothership groovin'Swing down, sweet chariot
Stop and let me ride
Swing down, sweet chariot
Stop and let me ride
Swing down, sweet chariot
Stop and let me ride
