Paralyzed

Marshmello

Come on baby stay with me
Baby, why won't you stay with me?
'Cause I know I've tried
And I know I've said goodbye
Baby, without you by my side
Ya, I feel like I'm paralyzedWoah, woah
Ya, I feel like I'm paralyzed
Woah, woah
Ya, I feel like I'm paralyzed
One, two, three, jump
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say somethingCome on baby stay with me
Baby, why won't you stay with me?
'Cause I know I've tried
And I know I've said goodbye
Baby, without you by my side
Ya, I feel like I'm paralyzed
Woah, woah
Ya, I feel like I'm paralyzed
Woah, woah
Ya, I feel like I'm paralyzedOne, two, three, jump
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say something
Say something, say somethingCome on baby stay with me
Baby, why won't you stay with me?
'Cause I know I've tried
And I know I've said goodbye
Baby, without you by my side

Ya, I feel like I'm paralyzed
