# Ode to Jim

## Red Circle Underground

Ode to JimHey kids get out the way, all that talkin but I wish you'd say,
Come pray girl, step out of line,
One more step I'm gonna make u mine
But your sign says, get out your fears
Long time coming, wanna waste more tears,
Cause u can't stand without yur rope,
I won't let my timing goShe goes all the way
And Sunday Mornin'
Don't mean to much to himShe goes all the way
But she won't go back
If she can't go back to Jim
