Guts

The Gladiators

Say you got to have guts to be a natty dreadlocks
You've got to have guts to he a natty dreadlocks
You got to be strong or else they will
Trample you to the ground
They don't vant to see natty dread survive
But in this battle, natty are the surviverYou got to have guts to be a natty dreadlocks
I said you got to stand up and fight for what you want
Persecution is what we will got to bear
They will even give you basket
Oh yes to carry water when they don't like you
So you got to have guts (guts, guts) to be a natty dreadlocks
You got to be strong to be a natty dreadlocks...
