

Sunshine

Ziggy Marley

13 Months of Sunshine

Is what we got

Take us to, take us to , take us to that land

Who shall ascend the hill

Stand in that holy place

Lift up your heads

O ancient gates

13 Months of Sunshine

Is what she got

Forward to , Forward to , Forward to that land

Where the water run (free)

We want to be

Earth gives food

Feeds you and me

Amharic chant

Forward to that land

Now the sun is in my eyes

Well I say

I am feeling high

Take us to that land

Forward to that land

13 Months of Sunshine
