

I Love Playing With Fire

Joan Jett And The Blackhearts

My one and only shining star said
Stick with me and I'll take you far
Your eyes are sparkling with teenage fire
I'll satisfy your made desires I love playing with fire
I don't wanna get burned
I love playing with fire
I don't think I'll ever learn, no My heart is aching to see you play
And I can't wait till another day
The way you shake me is really hot
You know how to use what you got You know, I love playing with fire
I don't wanna get burned
I love playing with fire
I don't think I'll ever learn Fire
Fire Yeah Acting tough with looks that kill
You got me going and I can't stand still
My arms are dying to hold ya tight
You're my little dark dynamite you know I love playing with fire
I don't wanna get burned
I love playing with fire
I don't think I'll ever learn I love playing with fire
I don't wanna get burned
I love playing with fire
I don't think I'll ever learn
