Go Ahead
(Joe Liggins)If you find anything that you wanna do... go ahead
(go ahead)
If you find anything that you wanna do... go ahead
(go ahead)
If you find someone who's loving you
You think that you could love them too
There ain't nobody stoppin' you... go aheadIf you feel like you wanna rock-n-roll... go ahead
(go ahead)
If you feel like you wanna rock-n-roll... go ahead
(go ahead)
If you feel that rhythm in your soul
you got somebody you can hold
Don't matter if you're young or old... go ahead-Chorus-
Music (Music) Music (Music)
Make it sweet or hot
Rhythm (Rhythm) Rhythm (Rhythm)
Give it everything you gotIf you feel like you wanna ride a train... go ahead
(go ahead)
If you think that you can fly a plane... go ahead
(go ahead)
You can ride a train or fly a plane
or take a trip from here to Spain
Don't be insane, use your brain... go ahead
(go ahead)
ChorusIf you feel like you wanna dance to this tune... go ahead
(go ahead)
If you feel like dancin' now, high as the moon... go ahead
(go ahead)
