

# Take Me With You

## Vast

All these favors for no one  
Standing by you there  
In a palace by the sea  
I'll give you everything  
Drapes are moving in the breeze  
Standing by you there  
In a palace by the sea  
I will save you  
(I will save you)  
If you save me  
(If you save me)  
Take me with you  
(Take me with you)  
Take me with you  
Wherever you will go  
I will go there with you  
And I will love you

All these favors for no one  
Standing by you mmm (?)  
In the town that no one knows  
And I live the morning by myself  
I will save you  
(I will save you)  
If you save me  
(If you save me)  
Take me with you  
(Take me with you)  
Take me with you  
Wherever you will go  
I will go there with you  
And I will love you  
If you love me too  
Take me with you  
Take me with you  
Take me with you  
Take me with you
