Eddie Angel

They used to call me Bobo, man

[J-Zone scratches]

R.A

He's rugged!

Alright friends, on your feebles[R.A.- Verse One]

Yo, see how they go, hip hop R-A-Hay-Ohh

I'm a Special Ed. student, with an A+ flow

Used to call me Bobo, Buzzbee Burbley

Bronson, ?, Disco Derby

I'm a modern day Ozzy Osbourne

Bitin bats heads off and bustin nuts in your pop corn

Wonderin how this ugly motherfucker got on

The whole white trash nation, rock rock on

Now wait a minute, let's bring it back a little bit

When you first started rappin, you was all on my dick

Yeah, you went multiplatinum, but you bit my shit

What you rappin is my life, you ain't live that shit

See all the others say I'm twisted, and I'm over the edge

I'ma whole crew they stay ? off, and stick in their heads

Sledgehammer, break pay phones, still calling

Stay out the trouble, stay home, Rugged Man, J-Zone[Chorus-R.A. sings]

Here we come from Suffolk County and you might not heard about me but we poor

[It's time for a showdown, between you and I]

You might not wanna be about me cause the shit's bout to get rawdy cause we brawl

[If we gonna do war, fuck 'em up fat]

Here we come from Suffolk County and you might not heard about me but we poor

[Come on sucker, let's get on]

You might not wanna be about me cause the shit's bout to get rawdy cause we brawl

[?? fuckin for troubles, cause we're gonna give it to ya][R.A.- Verse Two]

The way we recreate shit,Rugged Man

We don't make hits, we stay broke, sleep, fuck sluts and take shits (Ah-Ah)

And roll with the real life whores that appreciate dicks

Fuck they asshole, dick full of shit, taste bitch

It's easy to criticize me for being so vowel

It's worst when you lookin down a shotgun bubble (BANG!)

They say, "Rugged Man, he can't keep no deal

His mental, I like the way being broke feel"

I'm at the homeless shelter, for nigling three meals

I'm like Buster Keaton, N.W.C. fields

I'ma die broke, no success
When I'll, die I'll chocked up, jerkin off like Inxs
Now wait, this is the place where stars are born
Strictly business, too potholes in my lawn
Uzi weights a ton, public enemy #1

Don't you dare sleep on the spot that we come from[Chorus-R.A. sings]
Here we come from Suffolk County and you might not heard about me but we poor
[It's time for a showdown, between you and I]
You might not wanna be about me cause the shit's bout to get rawdy cause we brawl
[If we gonna do war, fuck 'em up fat]
Here we come from Suffolk County and you might not heard about me but we poor
[Come on sucker, let's get on]
You might not wanna be about me cause the shit's bout to get rawdy cause we brawl
[?? fuckin for troubles, cause we're gonna give it to ya][R.A.- Verse Three]

Yeah, it's true motherfuckers, I'm alive and shit
The mainstream motherfuckers, tryin' to hide my shit
You hate a man's rap flow, I invented that shit
You see hoes on stage show, I invented that shit
They say I could have been, but I never been
That's bullshit, I'm a underground rap letterin
I'm like get-get-get-get, get off my dick
I'm the wrong kid you don't wanna fuck with
Call me Big Dog, Mr. Crustified Dibbs
When I think to all the devious things I did
This is a hold up, catch your ass all ? up
Bitch drink cum, when this fat fuck roll up
Yeah, six million ways to die, choose one
True hoodlum, true ?, I'm the sequel
Fuck Mandingo, you can call me drum
Stupid dumb, Long Island hoodlum[Chorus-R.A. sings]
Here we come from Suffolk County and you might not heard about me but we poor
[It's time for a showdown, between you and I]
You might not wanna be about me cause the shit's bout to get rawdy cause we brawl
[If we gonna do war, fuck 'em up fat]
Here we come from Suffolk County and you might not heard about me but we poor
[Come on sucker, let's get on]
You might not wanna be about me cause the shit's bout to get rawdy cause we brawl
[?? fuckin for troubles, cause we're gonna give it to ya][scratches]
