Always On Time

Ja Rule

Always there when you call, always on time
Gave you my, baby be mine
Always there when you call, always on time
Gave you my, babyBaby, I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mine
I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mineC'mon and get a piece of this late-night lover
You know, the one that swing dick like no other
I know, I got a lot of things I need to explain
But baby you know the name and love is about painSo, stop the complaints and drop the order restraints
Our sex life's a game so bat me down in the paint
'Cause I can't wait no more
'Cause it's about a quarter-past three and shorty's eyein' meI got the Bentley valeted
And I'm just outside of Jersey, past the Palisades
And I love to see that ass in boots and shades
Hold down on the bed while I'm yankin' your braidsThug style, you never thought I'd make you smile
While I'm smackin your ass and fuckin' you all wild
But we share somethin' so rare
But who cares, you careBaby, I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mine
I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mineGirl, get a grip, c'mon, pull it together
It's only a sun shower, we been through worse weather
Like the stormy nights you wrote a 'Dear Ja' letter
And took my Benz and keyed and cut the leatherBitch, you know better, we live M O B
Money Over Bitches, Murder, I N C
I got two or three hoes for every V
And I keep 'em drugged up off that ecstasyI'm a playground legend like Kirkland Pee-wee
Name a nigga in the league got more game than me
I play hard, there's so many women I fathered
Meet 'em with scars and send 'em home hot and botheredTruth or dare, this life ain't apparently fair
And a love with no glare is a crystal stare
But we share somethin' so rare
But who cares, you careBaby, I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mine
I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mineOh I'm, feelin' like ya livin' a, double life
'Cause you don't be comin' home
Sometimes baby, but you're always, on time

Checkin' for one timeYou and I, got a special bond together
We go back like bombers boo, in the coldest weather
And when I play you play the same way
You freak me baby I fuck you crazy, then I'm goneBaby don't really want me to get up and leave off that easy
She'll be wakin' up wet for sheezy
Remind these bitches to mind they business
Believe me, this pimp game is very religiousAnd I'm built like the Don Bishop
Gon' keep this money green Benz and my hoes as my witness
The life we share is a thug affair
But who cares, you careBaby, I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mine
I'm not always there when you call, but I'm always on time
And I gave you my all, now baby be mineAlways there when you call, always on time
Gave you my, baby be mine
Always there when you call, always on time
Gave you my, babyHere at WIZ we play nothing but the hits
Nothing but the hits
Nothing but the motherfuckin' hits
