O.G. Bitch (Smitty's Deep Guitar Remix) (Edit)

Esthero

I am the original bitch, I am the original whore
I am the girl that you just won't admit you adore
I am the original witch, I am the original whore
I am the girl that you just won't admit you adoreI suppose you think that you know me now
Yeah, I bet you've got it all figured out
And you try and pick apart the shit that I do
All the while the quest for fame has got you
You're so vein, you don't even notice that corruption surrounds you
You don't even notice somebody set their arms around youYou're just waiting for me to drown
So no one knows that you stole my whole sound
And yet you're grinning when I come around
You fake ass bitchYou're just waiting for me to drown
So no one knows that you stole my whole sound
And yet you're grinning when I come around
Fake ass bitchI am the original bitch, I am the original whore
I am the girl that you just won't admit you adore
I am the original witch, I am the original whore
I am the girl that you just won't admit you adoreHow kind of you to offer
What you think a woman should do or say
Maybe if you weren't so self-righteous
You would not have such a hard time getting laidWhatever you have to say out loud
To convince yourself that you're right
Oh, it's just too bad
You carry no conviction in your so-called revelations
Your pedantic conversations shed no lightOh, you're just waiting for me to drown
So no one knows that you stole my whole sound
And yet you're grinning when I come around
You fake ass bitchYou're just waiting for me to drown
So no one knows that you stole my whole sound
And yet you're grinning when I come around
Fake ass bitchI am the original bitch, I am the original whore
I am the girl that you just won't admit you adore
I am the original witch, I am the original whore
I am the girl that you just won't admit you adoreFake ass bitch
Now everybody knows you're a fake ass bitch
And I'm gonna get them
Fake ass bitch
