The Curse Of Curves

Cute Is What We Aim For

I've got the gift of one liners
And you've got the curse of curves
And with this gift I compose words
And the question that comes forward
Are you perspiring from the irony?
Or sweating to these lyrics?
And this just in, you're a dead fit
But my wit won't allow it
The inside lingo had me at hello
And we go where the money goes
The inside lingo had me at hello
And we go where the money goes
I want someone provocative and talkative
But it's so hard when you're shallow as a shower
And from what I've heard with skin you'll win
Her bone structure screams, "Touch her, touch her"
And she's got the curse of curves
So with the combination of my gift with one liners
And my way, my way with words
It seems I?m too hip to keep tight lips
And you?re on the gossip team
You?re making something out of nothing
And jealousy is the causing, the causing of grief
The inside lingo had me at hello
And we go where the money goes
The inside lingo had me at hello
And we go where the money goes
I want someone provocative and talkative
But it's so hard when you're shallow as a shower
And from what I've heard with skin you'll win
Her bone structures screams, ?Touch her, touch her?
And she?s got the curse, the curse of
From what I've heard with skin you?ll win
We all have teeth that can bite underneath
To where the reality grows, yeah, that's where mine go
And that's where mine go
We all have teeth that can bite underneath
To where the reality grows, yeah that?s where mine go
The reality grows

From what I've heard with skin you'll win
And from what I've heard with skin you'll win
I want someone provocative and talkative
But it's so hard when you're shallow as a shower
And from what I've heard with skin you'll win
Her bone structures screams, ?Touch her, touch her?
And she?s got the curse, the curse of
From what I've heard with skin you?ll win
With skin you?ll win, skin you?ll win
