

# Madman

## Ugly Kid Joe

Disneyland is the place to be, c'mon baby, just you and me  
Hand in hand, to Disneyland, we go ! Not slow  
Happiest place, in the world until a madman grabs a girl;  
Hand in hand, with the madman she goes ! Oh oh ! Knife gleamin' no feelin's, axe wieldin', child stealin'  
madman is loose... in Disneyland. (in Disneyland) Come here little girl if you wanna see, Peter Pan's Magic  
Flight on L.S.D.  
Up and down, all around, we go ! Whoa oh ! Knife gleamin' no feelin's, axe wieldin', child stealin'  
madman is loose... in Disneyland. (in Disneyland) Madman is loose in Disneyland, he's back here by popular de-  
mand  
Madman is loose in Disneyland, he'll take no shit but he'll  
take your head! Surprise, Surprise, I'm comin' at ya' live  
I sure as hell ain't Mickey Mouse, I'm a killer in disguise  
You can run and you can hide  
But you ain't gettin' away 'cause I got you in my sight Axe wieldin', child stealin'  
I'm a mad motherfuckin' man and I'm loose!... in disneyland! have you heard the news, madman sure is loose  
Got you by the noose, have his way with you  
Nothin' you can do, headlines in the news  
Madman sure is loose, in Disneyland Disneyland is the place to be, in California, by the sea  
Sunny day, well A.O.K., for now, and how Knife gleamin' no feelin's, axe wieldin', child stealin'  
madman is loose... in Disneyland. (in Disneyland)
