

# Sometimes I Cry

## Jason Crabb

I look the part, blend in with the rest of the Church crowd,  
I know the routine, like a list of the bible studies  
in town, watch christian TV,  
I know all the preachers, their cliches,  
been born again,  
without a doubt I know I am saved.Chorus-  
But sometimes I hurt, sometimes I cry,  
sometimes I can't get it right  
no matter how hard I seem to try;  
sometimes I fall down,  
stumble over my own disguise.  
I try to look strong as the whole world looks on,  
but sometimes alone I cryI try to speak faith,  
never give the devil one inch to get in,  
I do worship and praise,  
let everybody know just  
where that I stand,  
on the back of my ride  
is a fish and a cross  
for the world to see,  
I know God is good all the time ,  
yes,there is no doubt for me.Repeat ChorusTag:Sometimes I fall down,  
stumble over my own disguise,  
I try to look strong  
as the whole world looks on,  
but sometimes alone I cry  
I try to look strong  
as the whole world looks on,  
but sometimes alone I cry.
