

No Other Way

Paolo Nutini

Darlin', my frustration, it gets me
It gets me when it hurts me most
Like five rapid to the gut it's not easy to see
I've become far, far too long
To expect you not to have changed, even a little bit I guess I hope I'm still the kind of guy
you're needing for your fool
Cos life's a ball here on the road
on these four wheels,
Oh, but something
about the whole thing it doesn't feel real Work my days for you, cos I love you
Girl, I don't want you, I need you
And I can't see no other way.
Darlin'
I work my days for you, cos I love you,
Girl, I don't want you, I need you,
And I can't see no other way All this separation,
it really gets you thinking
And all those used up clichés,
well they've worn off in the wind.
And I wonder if you're half
as innocent as you assure me,
Or if you thank him for his time,
and just never call again. Oh, oh, cos after all the lights and shows,
and long hope lanes,
It'll be you and me again,
but until then I work my days for you, cos I love you,
Girl, I don't want you, I need you,
I can't see no other way,
Oh, darlin'
I work my days for you, cos I love you,
Girl, I don't want you, I need you,
And I can't see no other way Oh, baby, I'm home
So love me, and I'm home, baby,
Oh so touch me,
Yeahhh, I'm home,
So kiss me, like you do,
Cos you bet, babe,
You bet I'll do it to you,
Oh, baby, oh, baby,

Oh I'm home baby,
So take me in your arms,
Oh, baby, love me, like you do,
Oh, kiss me, like you do,
Cos you bet I'll do it to you,
Oh Lord, hold me, like you do...
