

# Too Many Broken Hearts

Jason Donovan

Last night you talked about leaving  
I said I can't let you go  
It's not emotional feeling  
I need your body and soul You give me one good reason to leave me  
I'll give you ten good reasons to stay  
You're the only one I believe in  
I'll be hurt, I'll be hurt if you walked away Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you The world is full of lonely people  
Never have and to love  
Last night I tried to reach you  
But somehow it wasn't enough So was it, can't you wait any longer?  
I'll give you all a lover should give  
It ain't my pride but my love that is stronger  
I'll be hurt, I'll be hurt if you walked away Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you You give me one good reason to leave me  
I'll give you ten good reasons to stay  
You're the only one I believe in  
I'll be hurt, I'll be hurt if you walked away Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you Too many broken hearts in the world  
There's too many, dreams can be broken in two  
Too many broken hearts in the world  
So I won't give up the fight for you
