Answers

Prime Circle

I can't see
You've tied my hands, you've tied my feet
The cracks upon the wall are starting to bleed
Seems the sky
Will fall
Come down upon us all
And I feel like I'm alone,
And I feel like you should know
It all will burn
It all will break
You just don't see what is at stake
All will burn, it all will break
Now i can see it all
Give me some answers please
Give me a way to heed this call
Give me some answers please
Cause I just can't take any longer
Pull my hair
Touch my face
So you don't care
Seems there's so much more to the other side
Seems the sky
Will fall
Come down upon us all
And I feel like I'm alone,
And I feel like you should know
It all will burn
It all will break
You just don't see what is at stake
All will burn, it all will break
Now I can see it all
Give me some answers please
Give me a way to heed this call
Give me some answers please
Cause I just can't take any longer
Give me some answers please
Give me a way to heed this call
Give me some answers please
Cause I can't take this any longer, no

Answer me!
Cause I can't take this any longer, no
Answer me!
Cause I can't take this any longer
I'm afraid of the dark
I'm afraid of the fall
I'm afraid of the world outside there
I'm afraid of the dark
I'm afraid of the fall
I'm afraid, I'm afraid, I'm afraid
Give me some answers please
Give me a way to heed this call
Give me some answers please
Cause I just can't take any longer
Give me some answers please
Give me a way to heed this call
Give me some answers please
Cause I just can't take any longer
I'm afraid of the dark
I'm afraid of the fall
I'm afraid of the world outside there
I'm afraid of the dark
I'm afraid of the fall
I'm afraid of what i might find there
