

Miss Ida B

Buddy Guy

Hello world
Have you seen Miss Ida B?
Hello world, yeah
Have you seen Miss Ida B? She's a coffee colored brown
And she looked something like a Japanese I love you, Miss Ida B, yeah
And I just can't, I just can't hardly keep it in
I love you, Miss Ida B
And I just can't keep, just can't keep it in I'm in love with you, Miss Ida B, baby
Ever since, ever since you was a kid Baby, when I'm gone
Who you gonna let walk in and take my place?
When I'm gone, baby yeah
Who you gonna let walk in and take my place? I hate to even think about, yeah
Another man snoring in my baby's face
