

I'd Love You All over Again

[Alan Jackson](#)

Has it been ten years
Since we said I do
I've always heard marriage made one seem like two
But you're looking better than you did back then
You still make this old heart give in [Chorus]
And if I had it to do all over
I'd do it all over again
If tomorrow I found one more chance to begin
I'd love you all over again The preacher man said till death do us part
That seemed like forever to a young man's heart
Now the days seem much shorter
The longer we love
And the memories just keep adding up If tomorrow I found one more chance to begin
I'd love you all over again
