In Defense

Ignite

Advisory - the following lyrics contain explicit language:

Education without action does nothing
Bulldozers broken down
Destruction takes the day off
Tank is filled with dirt
Land locked and monkeywrenchedI've damaged
I've damaged
No compromise in defense
I've damagedAnother money day
Clearcut jobs they pay well
Ecosystems gone
Developers go build in hellIn defense
I've damaged
To preserveThe land is seen as cohmodity
Most revered end is money
Esthetics pass for just scenery
Most damage done in this centuryWe break the branches of the diversity tree
To get its fruit
But next year your children's yield
won't be half as good
