

In Defense

[Ignite](#)

Advisory - the following lyrics contain explicit language:

Education without action does nothing
Bulldozers broken down
Destruction takes the day off
Tank is filled with dirt
Land locked and monkeywrenched I've damaged
I've damaged
No compromise in defense
I've damaged Another money day
Clearcut jobs they pay well
Ecosystems gone
Developers go build in hell In defense
I've damaged
To preserve The land is seen as commodity
Most revered end is money
Esthetics pass for just scenery
Most damage done in this century We break the branches of the diversity tree
To get its fruit
But next year your children's yield
won't be half as good
