Clara

Ricardokoctus

Someday don't wake up I want you to get some rest
Someday if she's hungry I'll bring her to you
Clara once upon a time you mother didn't love your father the best
But he made believe that she did one day it was true
Go back to sleep my daughter
Go back to sleep my wife
I'm waiting for you there
Someday I wake up and she's still a song to play
Someday but you're ready to hear it's for you
Clara once upon a time your father knew he'd scare your mother away
Singing lovers live in a dream that keeps oming true

Go back to sleep my daughter
Go back to sleep my wife
I'm waiting for you there
It's gonna be a long night
It's gonna be a long night
And the sun my never shine
On what I think I've seen in your eyes
On what I think I've seen in yours
'Cause your eyes are not a window
Your eyes are not a window
They're a one way mirror to my soul
Someday don't wake up I want you to get some rest
