

Walkin' (feat. Norah Jones)

[Willie Nelson](#)

After carefully considering"
the whole situation I stand with my back to the wall
Walkin' is better than runnin' away and crawlin' ain't no good at all And if guilty's the question truth is the
answer I've been lyin' to me all alone
There ain't nothin' worth savin' except one another
And before you'll wake up I'll be gone
Cause after carefully considerin'...
[guitar]
After carefully considerin'...
And crawlin' ain't no good at all
