## Deathbot

The world seems not the same  
Though I know nothing has changed  
It's all my state of mind  
I can't leave it all behind  
Have to stand up to be strongerHave to try  
To break free from the thoughts in my mind  
Use the time that I have, I can't say goodbye  
Have to make it rightHave to fight  
'Cause I know, in the end it's worthwhile  
That the pain that I feel slowly fades away  
It will be alrightI know, should realize  
Time is precious, it is worthwhile  
Despite how I feel inside  
Have to trust it will be all right  
I have to stand up to be strongerHave to try  
To break free from the thoughts in my mind  
Use the time that I have, I can't say goodbye  
Have to make it rightHave to fight  
'Cause I know, in the end it's worthwhile  
That the pain that I feel slowly fades away  
It will be alrightOh, this night is too long  
Have no strength to go on  
No more pain, I'm floating awayThrough the mist, I see the face  
Of an angel, who calls my name  
I remember, you're the reason I have to stayHave to try  
To break free from the thoughts in my mind  
Use the time that I have, I can't say goodbye  
Have to make it rightHave to fight  
'Cause I know, in the end it's worthwhile  
That the pain that I feel slowly fades away  
It will be alright
