

Oh My Lady

Barry Manilow

First they told me that they loved me
Dressed me up in the light of gold
All they wanted was to know me
Gotta get me on before I get too old
Then they told me I was big time
Lots of favors of limousine
This might be what they told me it would be
But I'm not sure it's what I need
Not what I need
Now, won't you tell me
Oh my lady, where's my lady?
All this glory, where's my lady
To share it with me?
Oh, to share it with me
First they told me I could love you

And then they told me never mind, never mind
Gotta keep those cards and letters flowing in, my friend
Gotta try and have a real good
Real good time, now wouldn't you tell me
Oh my lady, where's my lady?
All this glory, where's my lady
To share it with me?
Oh, to share it with me
Now, won't you tell me
Oh, where's my lady?
All this glory, where's my lady?
To share it with me
To share, to share it with me
Oh my lady
