

# Where Is the Love

## Donny Hathaway

Where is the love (where is the love)  
Where is the love (where is the love)  
Where is the love (where is the love)  
Where is the love (where is the love)Where is the love  
    You said you'd give to me  
    Soon as you were free  
    Will it ever be  
Where is the loveYou told me that you didn't love him  
    And you were gonna say goodbye  
    But if you really didn't mean it  
Why did you have to lieWhere is the love  
    You said was mine, all mine  
    Till the end of time  
    Was it just a lie  
Where is the loveIf you have had a sudden change of heart  
    I wish that you would tell me so  
    Don't leave me hangin' on to promises  
    You've got to let me knowDoo doo doo doo  
        Doo doo doo doo  
        Doo doo doo doo doo  
Doo doo doo doo doo dooOh, how I wish I never met you  
    I guess it must have been my fate  
    To fall in love with someone else's love  
        All I can do is wait  
That's all I can do, yeah, yeah, yeahWhere is the love (where is the love)  
    Where is the love (where is the love)  
    Where is the love (where is the love)  
Where is the love (where is the love)Where is the love (where is the love)  
    Where is the love (where is the love)  
    Where is the love (where is the love)  
Where is the love (where is the love)Where is the love (where is the love)
