

# Crazy Love (feat. Tarrus Riley)

[R. City](#)

Pollution poverty people die  
Through this darkness we're the light  
With so much worry so much war  
We still manage to have a heart 'Cause I've been hearing a lot of bad news lately  
I'm just trying not to let it phase me  
If I didn't have you my baby  
I'll go crazy In this crazy crazy world  
We've got a crazy crazy love  
In this crazy crazy world  
We've got a crazy crazy love So little truth so many lies  
But we could always believe in you and I  
We never could count on 911 A-eh  
Our love is the one thing we could depend on 'Cause I've been hearing a lot of bad news lately  
I'm just trying not to let it phase me  
If I didn't have you my baby  
I'll go crazy In this crazy crazy world  
We've got a crazy crazy love  
In this crazy crazy world  
We've got a crazy crazy love The money the cars I'll give it up, I'll give it up, I'll give it up  
'Cause see what we need right now is love  
Give it to me I can't get enough, can't get enough  
As crazy as it sounds I need it now In this crazy crazy world  
We've got a crazy crazy love  
In this crazy crazy world  
We've got a crazy crazy love  
In this crazy crazy world  
We've got a crazy crazy love  
In this crazy crazy world  
We've got a crazy crazy love
