Not Listening

White Fang

I'm not listenin', not anymore
The more I learn, the more I ignore
I'm not listenin', not anymore
The more I hear, the more I ignore
I'm not listenin', not anymore
No'Cause you gotta be bigger and be faster and be stronger
If your gonna survive any longer
In this lifetime it better be the right time
The first time might be your last time
Am I a failure, if I got nothin' to lose?
No I'm not a failure, I've got somethin' to proveI'm not listenin', not anymore
The more I learn, the more I ignore
I'm not listenin', not anymore
The more I hear, the more I ignore
The more I ignoreCause I've lost my innocence
And I'm a stranger, a life changer
I'm a man that's not afraid of danger
I walk my own path and blaze my own trail
Because I'm not afraid to derail
I won't get in line or be a middle man
So fuck you I'll make my own plan
And I got respect and I don't neglect
The people that I really care to protect
Am I a failure?, if I got nothin' to lose
No, I'm not a failure, I've got somethin' to proveI'm not listenin', not anymore
The more I learn, the more I ignore
I'm not listenin', not anymore
The more I hear, the more I ignore
I'm not listenin', not anymore
NoI told you before, won't listen no more
I told you before, lets settle the score
I told you before, won't listen no more
I told you before, lets settle the scoreIf not me then who?
If not now then when?
If not me then who?
If not now then when?I'm not listenin', not anymore
The more I learn, the more I ignore
I'm not listenin', not anymore
The more I hear, the more I ignoreI told you before, won't listen no more

I told you before, lets settle the score
I told you before, won't listen no more
I told you before, lets settle the scoreSet it off right now
Blow it up, set it off
Fuck it up, set it off
Blow it up, blow it up
Right now
