

She's Gone

Brutha

say ooh ooh ooooo ooh ooh
say ooh ooh ooooo ooh ooh

say ooh ooh ooooo ooh ooh
feel like i lost my heart and misplaced my pulse and
i don't know
where did it all go wrong i just couldn't see it coming
say ooh ooh ooh oh
maybe it was all my fault i forgot how to treat a woman
i don't know
while i was playing around and all the while i was loosing
the best girl in my life for sure (for sure)
is about to walk out that door i said
she won't play number two anymore
seems like the waters went dry and i don't know why
I'm ready to work on me
its too late she's gone, she's gone, shes gooone.
I'm telling her I'm ready to meet her needs
it's too late she's gone she's gone she's gooone.
see, she decided to up and leave
before i could give her my apology (give her my apology)
wish i could bring that girl back to meeeeeee
its too late she's gone she's gone she's gooone.
it's too late shes gone
say ooh ooh ooooo ooh ooh

i wanna wake myself up from this nightmare that I'm dreaming
i don't know
why i took your love for granted what the hell was i thinking?
say ooh ooh ooooo ooh ooh
I'm missing everything i had
I'll do anything to get you back yeah
say ooh ooh ooooo ooh ooh
i don't know oh oh oh oh

how i let you get away guess it's the price that i pay (yeah yeah)
the best girl in my life for sure(for sure i said)

is about to up and walk out that door said (out that door) she won't play number two anymore(hhooooowhooo)
seems like the waters went dry and i don't know why
'm ready to work on me
its too late she's gone, she's gone, shes gooone.(hooo oo)

I'm telling her I'm ready to meet her needs(ready to meet her needs)
it's too late she's gone she's gone she's gooone.
see, she decided to up and leave(up and leave ay)
before i could give her my apology (ooooohwhoooo)
wish i could bring that girl back to meeeeeee
its too late she's gone she's gone she's gooone.
it's too late shes gone
say ooh ooh ooooo ooh ooh
it's nights like this i wish i would've never let my baby get away
takes everything i have admitting my mistakes
don't know if i can find my way without you girl
should've took the time to do the little things
i wish i knew what my neglect would bring
you to go further away see now i know that's its way too latee
'm ready to work on me(ooh ooo whoo ooh whooo)
its too late she's gone, she's gone, shes gooone.(oooo it's too late she's gone)
I'm telling her I'm ready to meet her needs(but now im ready)
it's too late she's gone she's gone she's gooone.
