

# All I Wanna Do Is Make Love To You (Live)

## Heart

It was a rainy night when he came into sight  
Standing by the road, no umbrella, no coat  
So I pulled up along side and I offered him a ride  
He accepted with a smile and we drove for a while

I didn't ask him his name, this lonely boy in the rain  
Fate, tell me it's right, is this love at first sight?  
Please don't make it wrong, just stay for the night

All I want to do is make love to you  
I've got lovin' arms to hold on to  
All I want to do is make love to you  
Come on babe, come on, oh

So we found this hotel  
It was a place I knew well  
Oh, we made magic that night  
Yeah, he did everything right

He brought the woman out of me  
We fell together easily  
Yeah, in the mornin' when we woke  
All I'd left was a note

I said, here is the flower, here is the seed  
We walked in the garden, planted a tree  
Now, don't try to find me, please don't you dare  
Just live in my memory, you'll always be there

All I want to do is make love to you  
One night of love was all we knew  
All I want to do is make love to you  
I've got lovin' arms to hold on to, oh

Yeah, we made love, love, love  
The rain was fallin' down, down  
Down, down, down, down  
We made sweet, sweet love

Then it happened one day

We came round the same way  
Lord, he was surprised  
When he saw his own eyes

When I said "Please baby, please baby  
Please understand, I'm in love to another man  
All that, he couldn't give me, oh no  
This one little thing that you can"

All I want to do is make love to you  
One night of love was all we knew  
All I want to do is make love to you  
C'mon, [Incomprehensible]

All I want to do is make love to you  
Now [Incomprehensible]  
All I want to do is make love to you  
Oh well, oh well, oh

The rain was fallin', fallin', fallin'  
Down, down, down, down  
Down, down, down
