

# Bitter Rivals

## Sleigh Bells

Hi! It was the best of times  
It was the worst of times  
I had to kill the new sheriff in town  
She was gonna try to keep me  
You go-go down  
You go-go down  
In a dream you will never be down  
Some how  
Some how  
Another way to make the picture clearer  
Point a gun  
At the mirror  
Heart's so dark, make dirt look clean  
So clean  
So clean  
Don't kick  
Don't scream  
But at the end  
I can only be  
No rhyme  
No reason  
Be not afraid  
Be not afraid  
Be not You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival It was the best of times  
It was the worst of times  
I had to kill the new sheriff in town  
She was gonna try to keep me  
You go-go down  
You go-go down  
In a dream you will never be down  
Some how  
Some how

Lay a hand on me  
Lay a hand on you  
Lay a hand on me  
Lay a hand  
Heart's so dark, make dirt look clean  
So clean  
So clean  
Convicts  
Convicts  
East to West  
The answer is yes  
No rhyme  
No reason  
Be not afraid  
Be not afraid  
Be not You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival  
You are my bitter rival  
But I need you for survival
