

Wired God

Tad

I'm taking
I'm got some
I'm drinking
and I'm drivingsee me
calling me
don't eat
don't sleep
got my smell
on my clothes
wired god
no one knows
yeah!
after...
yeah!
after... after me! I'm taking
I'm got some
I'm drinking
and I'm drivingsee me
calling me
don't eat
don't sleep
got my smell
on my clothes
wired god
no one knows
yeah!
after...
yeah!
after... after me! I'm driving (5x)
