Free

Seal

Whispering in your ear
My magic potion for love
Telling you I'm sincere
And that there's nothing too good for us
'Cause I just got to be free, free, free
And I just go to be me, me, me
Teasing hands on your mind
Gives life such mystery
Happiness all the time
Oh, and how that just pleases me
But I just want to be free, free, free
And I just got to be me, me, me
Feeling closer to me
Makes all my senses smile
Let's not waste ecstasy
'Cause I'm only here for a while
Want to be free, free, free
I wanna be me, me, me
I got to be free, free, free
Well, I just got to be me, me, me
I wanna be free and I got to be me
And I got to be free, free
And I got to be me, me, me, me, me
