

Cold Forgiveness

Napalm Death

25 years severed,
take it and like it,
Feel like there's nothing more,
end of story.
Thirsty, despised,
real love destroys.
Hungry for anger.
Hungry for... anger.
The face behind the face.
Cold forgiveness meant not for me.
Race against time,
collapse.
Fell in line.
nothing is sacred.
Thirsty, despised,
real love destroys.
Hungry for anger.
Hungry for... anger.
The face behind the face.
Cold forgiveness meant not for me.
