

Joy

Lucinda Williams

I don't want you anymore 'cause you took my joy
I don't want you anymore, you took my joy
You took my joy, I want it back
You took my joy, I want it backI'm gonna go to west Memphis and look for my joy
Go to west Memphis and look for my joy
Maybe in west Memphis I'll find my joy
Maybe in west Memphis I'll find my joyI'm gonna go to Slidell and look for my joy
Go to Slidell and look for my joy
Maybe in Slidell I'll find my joy
Maybe in Slidell I'll find my joyYou got no right to take my joy, I want it back
You got no right to take my joy, I want it back
You took my joy, I want it back
You took my joy, I want it backI'm gonna go to west Memphis and look for my joy
Go to west Memphis and look for my joy
Maybe in west Memphis I'll find my joy
Maybe in west Memphis I'll find my joyI'm gonna go to Slidell and look for my joy
Go to Slidell and look for my joy
Maybe in Slidell I'll find my joy
Maybe in Slidell I'll find my joyI don't want you anymore 'cause you took my joy
I don't want you anymore, you took my joy
You took my joy, I want it back
You took my joy, I want it back
You took my joy, I want it back
You took my joy, I want it backI'm gonna go to west Memphis
I'm gonna go to Slidell
