

# Me and My Monkey

[Robbie Williams](#)

There was me and my monkey  
And with his dungarees and roller blades smoking filter tips  
Reclining in the passenger seat of my super-charged jet black Chevrolet  
He had the soft-top down (he liked the wind in his face)  
He said 'Son, you ever been to Vegas?' I said 'no'  
He said 'that's where we're gonna go - you need a change of pace'  
And we hit the strip with all the wedding chapels and the neon signs  
He said 'I left my wallet in El Segundo' and proceeded to take two grand of mine  
We made tracks to The Mandalay Bay Hotel  
Asked the bell boy if he'd take me and my monkey as well?  
He looked in the passenger seat of my car and with a smile he said  
'If your monkey's got that kind of money sir, then we've got a monkey bed!'  
Me and my monkey
