

Cheap Wine & Cheaper Women

Airbourne

Oh, I'm walkin' through the city
It's lonely heartbreak streets
The wind gives a chill
And the sun begins to weep Oh, I don't know where I'm goin'
And I don't know where I've been
But the night's coming down
And I'm feeling good again Cheap wine
And cheaper women
Oh, give me cheap wine
And cheaper women and I may I had myself a lady
To hold me tight and warm
To keep out the cold
And make love 'till the dawn She loved me tender
And she loved me sweet
But then she kicked me out
And now I'm on the street Cheap wine
And cheaper women
Ooh, give me cheap wine
And cheaper women, oh yeah Women come and go
They never do remain
They take more than they give
But it's me who's to blame I'm at the bottom of the bottle
And nothin's all I got
Yeah, it may not be the answer
But it sure does hit the spot Cheap wine
And cheaper women
Oh, give me cheap wine
And cheaper women, oh yeah Oh, give me cheap wine
And cheaper women, oh yeah
I said, give me cheap wine, yeah
And cheaper women, oh yeah
Oh, give me cheap wine
