## **Cheap Wine & Cheaper Women**

## **Airbourne**

Oh, I'm walkin' through the city It's lonely heartbreak streets The wind gives a chill And the sun begins to weepOh, I don't know where I'm goin' And I don't know where I've been But the night's coming down And I'm feeling good againCheap wine And cheaper women Oh, give me cheap wine And cheaper women and I mayI had myself a lady To hold me tight and warm To keep out the cold And make love 'till the dawnShe loved me tender And she loved me sweet But then she kicked me out And now I'm on the streetCheap wine And cheaper women Ooh, give me cheap wine And cheaper women, oh yeahWomen come and go They never do remain They take more than they give But it's me who's to blameI'm at the bottom of the bottle And nothin's all I got Yeah, it may not be the answer But it sure does hit the spotCheap wine And cheaper women Oh, give me cheap wine And cheaper women, oh yeahOh, give me cheap wine And cheaper women, oh yeah I said, give me cheap wine, yeah
