

Whistling Trees

Virginia Man

Eden's far from where I lie
Stars pull me under whisper goodbye
Burning stones cast me aside
While sister sparrow learns to fly
And wealth echoes out alone Beneath the hill where thieves will die
Spears pierce a sacred side
Pious men resume their fight
Daggers piercing from their eyes
Bleeding out upon the floor
So dance with me in a mountain stream
Take me home
Water heal these weary feet
Oh valley sing your song On a white horse I ride
Angels trailing at my side
Coming forth to claim my bride
Woah, leave the valley break to home So bury me in a mountain stream
Take me home
Whistling trees sing me to sleep
Oh with your roots I'll grow Oh oh oh... So dance with me in a mountain stream
Take me home
Water heal these weary feet
Oh valley sing your song
So bury me in a mountain stream
Take me home
Whistling trees sing me to sleep
Oh with your roots I'll grow
